

DAKELI BUCKET

1958

Oaken Bucket

1958

OAKLAND HIGH SCHOOL, OAKLAND, CALIFORNIA

Dedication

MR. KARL K. COOPERRIDER

Mr. Karl K. Cooperrider, in exhibiting a great spirit of democracy, has shown his deep interest and devotion to students. As student government adviser, by encouraging students to fully participate and to accept responsibility, Mr. Coop has blazed the path for many young "diplomats," and has shown the way for everyone who has come in contact with him. To you, Mr. Karl K. Cooperrider, because we think we're the luckiest student body to have a great guy like you to guide us, the 1958 OAKEN BUCKET is dedicated.

Appreciation

In recognition of the help Mrs. Patricia Kelly has willingly given the students of Oakland High School, we, the Oaken Bucket staff extend to her our special thanks. She has helped the students by supplying them with information about student activities and by doing extra secretarial work for them. Mrs. Kelly has also volunteered helpful suggestions when called upon to do so. Without her assistance many student organizations would not have functioned so smoothly.

High Twelve Counselor

MRS. MYRTLE D. YATES
Fall H12 Counselor

Dear Class of January 1958,

Four interesting and challenging years ago you students from McChesney entered Oakland High School in the ninth grade, and one year later you were joined by a group of tenth graders from Bret Harte, Roosevelt, Westlake and other junior high schools. Three years have passed rapidly and you have grown in stature, poise, and self confidence. You have gained in knowledge and in your ability to get along with people.

You have now entered a new period in your self development. Whether your goal is to have more formal education or to go immediately on the job, may you realize that your education is not ended. You will go on acquiring knowledge. The measure of your success and happiness will be determined by your desire and ability to take responsibility, to do a job well, to respect the rights of other people, and to get along with them.

I have enjoyed working with you and I wish you all success and happiness in the years to come.

Sincerely,
Myrtle D. Yates

High Twelve Counselors

Dear Class of June 1958:

It is difficult for a counselor to say good-by to a class and wave its members off on graduation night. Four years of working and playing together, four years of sharing the joys and the sorrows of high school life have made us close friends.

You have been fortunate to have been able to attend Oakland High School. At no other high school could you have been better prepared for life. Your teachers have been genuinely interested in your problems, your plans for the future and your ultimate goals in life.

When you leave, no other class can take your place. Each class must make its own contribution to the history of Oakland High School. It is a record such as your class has made, combined with the personal satisfaction that you have given to me, that makes it possible for me to face a new class next year and start again the tremendous job of counseling.

I am proud of your accomplishments. I am going to miss you as individuals and as a class.

Adios, Mis Amigos!

JOVITA E. FITZGERALD

MISS JOVITA E. FITZGERALD
H12 Counselor

MR. ARTHUR P. OLSEN
H12 Counselor

To the graduating seniors:

The Class of June, 1958, is at the end of that long, hard twelve-year pull and now, graduation. I am privileged to have had the opportunity of working with you and guiding you in your final year; I am proud that you sought my counsel so readily when there was a counseling change; I am fortunate in knowing you and having had your association. With your achievement and talent there are many great careers before you. Keep a firm faith in yourself and the direction you are going.

I join my colleague, Miss Fitzgerald, who has meant so much to all of you, in wishing you health, happiness, and success in your future years.

Sincerely,

ARTHUR OLSEN

Under the direction of fall President Barbara Gruenewald and spring Prexy Gary Fong, the class of January 1959 held many varied and interesting activities.

The class' first activity was the semi-annual Junior Prom, entitled "Sahara." Lincoln Mintz and Sue Haley headed the crew of dance committee chairmen. One large pyramid and several smaller pyramids and stars hanging from mobiles made up the decorations for "Sahara."

A January ice-skating party was next on the class' activity agenda. Following the ice-skating "episode" was the Senior Stomp, "Heart to Heart." General chairmen for the dance were Lynn Kristic and Bill Mellana. Decorations consisted of hearts hanging from mobiles and little "old Dan Cupid" on stage.

An all-lunch cake sale in February brought in valuable capital also. Closing the semester's activities was a Mothers' Tea held in May.

CLASS OF JUNE 1959

Leading the class of June 1959 through an active term were Bruce Payne and John Sobrero, fall and spring class presidents respectively.

The juniors' first activity, held in October, was a successful class party at which pizza was served. This lively get-together was followed by a cake sale in January.

March rolled around and the junior class presented "Night Lights," the semiannual Junior Prom. The dance was under the capable chairmanship of Suzy Barnes and Bruce Macpherson. A May party ended the social activities for the class.

During the semester, the juniors sold book covers in order to increase their treasury for their senior year. Penny Holland, Steve Oliver, and Bruce Payne brought honor to the class by being nominated for the exchange students in the Foreign Exchange Program.

Counselors

Just beginning to taste the flavor of being full-fledged high school students, the sophomores, class of June 1960, were led by Terry Clarke, fall president, and Bob Gillespie, spring prexy.

This being the largest class at O.H.S., the sophs held a party in November in which talented members of the class provided entertainment. There were also refreshments and dancing.

The Soph Hop, first of four dances to be given by this class to the student body, was presented in April. The theme of the dance was "Spring Fever," and was under the leadership of social chairman Carol Landis. Decorations consisted of flowers hung from mobiles and large bees and butterflies.

The sophomores are well under way in digging their roots into O.H.S. as they have already started building up a treasury for their glorious senior year.

On the bottom rung of the O.H.S. totem pole, the freshmen were capably led through their stormy first term by Kent Enlow and Don Henderson, fall and spring prexies respectively.

An honor quickly heaped on the laps of the class was the Oaken Bucket dance trophy for the highest percentage of attendance at the dance.

The first freshman get-together was a class party, held in March. The party was planned by Bob Holman and Kathi McConnell. Proper attire was Ivy League apparel and entertainment was provided by class members. Dancing and refreshments rounded out the evening.

A graduation party is planned in June as the freshman are now ready to enter the big, bad realms of high school and proceed on as sophomores.

FOOTBALL REVIEW

Injuries and an unusual misfortune, the Asiatic Flu, crippled the Oak and High football team throughout the season. The Wildcats' record was two wins and four defeats in over all play which included a one-win, three-loss conference record, thus putting the 'Cats in a third place tie with the McClymonds Warriors in the O.A.L. standings.

The season's curtain-raiser was against Piedmont in which the Oaklanders emerged triumphant 14-13. 'Mr. Flu' made his most fatal strike just before the practice encounter against South San Francisco and coupled with the rain, the game was canceled. Thus the Wildcats were without valuable game competition and experience.

Castlemont's Knights, inevitable champions of the O.A.L. captured a 19-12 decision over the Paul Berger-coached gridders in the first league game. Technical came up fast in the second half to conquer the 'Cats, 25-19. The McClymonds tilt played under threatening skies was about as close as they get, with the Wildcats edging the Warriors, 7-6. This victory accounted for the only league triumph by the Oakland varsity.

In an interconference affair, the rough-tough El Cerrito Gauchos whupped the Cats 21-12. The final league and season struggle versus Fremont proved fatal as the Tigers rose victorious, 13-6.

All was not lost, though, as halfback Pete Rasmussen and center Bob Young received first string berths on the all-city team. John Lemke and Stacy Papagiannis guard and Ben Gmore fullback placed on the second unit. Receiving a city honorarable mention were two tackles Ken Souza and Bob Finke and end Jerry Girard.

JUNIOR VARSITY SUMMARY

Tying for first place with Castlemont, the Oakland junior varsity squad accumulated a league record of three wins and one defeat.

The Kittens opened the O. A. L. by losing to Castlemont's Knights, 6-0. Bouncing back from this defeat, the Kittens pulverized the Bullpups from Technical by a score of 18-0. To prove that the shellacking was no fluke, the Oaklanders took on Fremont and conquered them, 12-6. The Kittens ended the year with a roar as they held off and massacred the McClymonds' Braves, 25-0.

In three practice encounters, the Oakland jayvees lost to Castro Valley, 25-0; got skunked by San Lorenzo, 27-0 and were smothered by El Cerrito, 25-0.

WILDCAT CAGE REVIEW

Enjoying one of its most successful seasons in recent years, the Wildcat cage team compiled an OAL record of five wins and seven defeats to tie Technical and Castlemont for second place

The Wildcats, inspired by Bob Amauric and Vance Barnes, whipped through a seven game practice slate, losing only to El Cerrito and Berkeley, two of the top quintets in Northern California

Starting league play, the Cats were buried by the champ on McClymonds Warriors, 55-28. In the two other league contests, the Oaklanders lost 64-46, and 74-44.

Going against Castlemont, the Wildcats won two, 58-46 and 44-42, and lost one by 44-40. Oakland dumped Fremont twice, 45-42 and 45-24 while losing 44-34.

The Tech Bulldogs captured two of the three conference encounters against the Wildcats. Oakland lost the two "away" games, 40-32 and 40-36 while they won at home 41-24. Topping the season off triumphantly, the Wildcat five dumped the alumni by a count of 48-37.

Throughout the season, Oakland was led by the fanciful play of Vance Barnes while Bob Amauric, a midterm graduate, led the Oaklanders in scoring with 117 points.

Bob Amauric, a midterm graduate, landed a berth on the first string all-city squad. Though playing only six league contests, Amauric showed great ability as he led the Cats as well as the league at midterm in scoring with 117 markers. Vance Barnes, the Cats colorful guard, placed on the second all-city team. Barnes was consistently stealing passes and harassing the offenses of opponents as well as swishing some much-needed jump shots.

WRESTLING SUMMARY

The Wildcat wrestling squad, young and inexperienced, placed third in the final O.A.L. standings under the guidance of Coach John Marks. The Cat matmen placed one first place, one second place, six third places and three fourth places in the final wrestling meet which determined the Oaklanders' position.

Placing first in the 122-pound division and placing second in the 135-pound division were Buddy Mancuso and John Leatherman, the two Wildcat all-city men.

Third position honors went to Larry Davies, Satoshi Kuritsubo, Buford Bolin, George Tamura, Glen Scrimger, and Gene Van Horn. The three grapplers who placed fourth were Lowell Carradine, Charles Flukey, and Yves Lachau.

Preston Thompson, Mac Truman, Buddy Mancuso, Yves Lachau, John Leatherman, and Gene Van Horn are the only seniors on the Wildcat wrestling team. Consequently, the Oakland student body will witness a title contending wrestling team next semester.

GYMNASIACS PREVIEW

Boasting only two "A" classification men, Oakland's gymnastics team, though young and inexperienced, is looking ahead into the future. Frank Bermudez, a junior, and Sophomore Pat Warnecke are the two competing "A" gymnasts. The remainder of the squad participates in the "B" bracket.

Coach John Zorovich has no seniors on the team; thus, the Cats are high in spirits as they await next year.

Oakland, along with Fremont, belongs to the Northern California Gymnastics League, as the Wildcats and Tigers are the only O.A.L. schools who feature gymnastic teams.

Warnecke, thus far, has shown great promise as he competes in the rope climb, the flying rings, and the horizontal bars. Bermudez, whose specialty is the rope climb, also takes a shot at the flying rings.

Gymnasts are judged upon the routines performed, with 50 per cent counted for execution, and 50 per cent counted for difficulty.

BASEBALL PREVIEW

The Wildcat baseball squad, under the watchful eye of Coach Mike Marcoulis, has the ability to capture its first crown in many years. Coach Marcoulis has instilled a sense of spirit and responsibility which has been evident in practice, as the boys have shown great hustle.

Manning the first sack post is senior letterman Ray Freitas. Covering the second base territory is Jim McClure, a junior letterman. Ken Reid plays the shortstop spot. Buddy Goad, when he isn't pitching, guards the keystone sack. When Goad is chucking, Jim Rivera handles third base.

Roaming the green pastures of the outfield are Charles Allen, George Nicholson, and Ron Peteria. Marty Santos and Noel Lanctot help in the outfield. Hefty Ken Kaylor handles the catching duties and is assisted by Charles Allen.

Goad and Carl Shelen lead a crew of pitchers which includes Gary Tanaka and Steve Conine, both southpaws.

Three seniors—Goad, Tanaka, and Freitas—will graduate leaving the Cats with experience and high hopes of capturing next year's title also.

Track and Field

For the first time in a dozen years, Oakland's student body can say with reassurance that the track squad is among the tops. Coach Fred Ludeke has instilled spirit among the Wildcat tracksters, and with a nucleus of the squad as sprinters, Oak and will be looking for a track and field title.

Highlighting the events is Pete Rasmussen and Lem Bivings in the 100 and 220. Helping out in these events are Carence Malone, James Pastur, and John Sobrero. George Taylor and Wallace Bunch head a crew of quartermilers. Ken Pleasants, state meet participant last year, returns to run the half mile. Gary Pitts and Ray Randall also are running the 880. Heading the mivers are Gil Theodore and Leroy Beverly. Dick Guider and Grant Vogel lead a group of hurdlers.

Don Schaefer, state meet pole vaulter, is again scaling the crossbar. Frank Pollock and John Leatherman are also vaulting. Ken Wil's and Stacy Papagiannis are the strong-armed shotputters, while Malone and Jerry Girard are participating in the broad jump. Competing in the high jump are Vance Barnes, Archie Green, and Rufus Sellers.

SWIMMING PREVIEW

Oakland High's swimming squad, a second place finisher last year, has aspirations of topping the league this season. With but six seniors and the rest of the team juniors and sophomores, the Wildcats are looking forward to a bright future. The spirit is high and desire is present as the Cat swimmers show great hustle in practice.

Heading the list of returning lettermen are Chuck Bloomfield, diver; Steve Engles, butterfly strokesman; and Jeff Rogers, a backstroker. Also returning to swim this year will be Bruce Macpherson, a free styler, backstroker Loren Gill and utility man Steve Twigg. Two senior letter winners returning are Steve Johnson and Dick Nelson, both free stylers. Showing great promise for future years are two sophomores—Denny Dihaha, and Jim Baird.

The Wildcat mermen, with an air of confidence and pocketful of experience, are looking ahead to overtake Castlemont for the O.A.L. title. The Knights, last year's champs, will provide the Cats with the toughest competition. Also slated to meet the Wildcats in league meets are Fremont and Technical.

TENNIS PREVIEW

With several returning lettermen to bolster the Wildcat cause, Oakland's tennis team has high hopes of sweeping off with the O.A.L. crown this year. Alan Rebensdorf, Eddie Bienek, and Frank Kovacs are three returning letter winners who are playing singles for the Cats. Tim Ruschin also plays singles.

Teaming as doubles are Mike Phelan and Pete Huie, Lincoln Mintz and Winston Wood, and Brad Jue and Tom Liles. Coach John Marks has high aspirations for this racket squad as they have shown signs of being a winning team.

Rebensdorf and Bienek have shown consistently their ability and are currently playing in the top two positions on the squad.

Positions on the tennis team are of a fluctuating nature as the boys challenge each other and end up in the positions which they are playing as a result of the challenges.

Golf

GOLF TEAM Left to right: Stan Lennox, Duncan Kilpatrick, Ken Irwin, Howard Gladman, Larry Edwards, Jack Vendetti.

GOLF PREVIEW

The Oakland golf team will again be in strong contention for the O.A.L. golf title. Returning from last year's team, which finished a strong second, will be five lettermen and four all-city sharp-shooters.

Fighting it out for first position will be Ken Irwin and Larry Edwards, both on last year's all-city squad. Co-captains Howard Gladman and Stan Lennox, also all-city members, will hack away for third position. Kent Holland, Duncan Kilpatrick, Ron Nelson, and Jack Vendetti will battle it out for the fifth and sixth men. Of the four, Ron is the only returning letterman.

Scheduled to meet the Wildcat linksmen this year are the Oakland Junior College and Bishop O'Dowd High squads. In the regular O.A.L. season, the divot makers are slated to meet Fremont, Technical, and Castlemont, last year's champion.

Barring unforeseen difficulties, the Wildcat linkers should bring home their first O.A.L. golf crown.

Dave ~

Well, here we are on our
year at last. Sure wish
you could have been
at our Graduation with
us. We all miss you.

We all have had lots of
fun together.

Time is flying. I wish you all
the best of luck and
happiness and success
in the world. Remember
to look up and
smile.

Ted always blows you and
be your guide. I'm thinking of
my best wishes and you be
sure and take care.

Take care. Good luck. Hang
on and come back and see us,
okay? I'll never forget you
but, please don't forget me.

Love & God's blessing
Sandi

P.S.

Larry says to send her
fondest regards.
